

Privacy Policy for Station Logix

Introduction

Station Logix respects the privacy of its users and is committed to protecting the personal information you share with us. This policy describes how we collect, use, disclose, and safeguard your information when you use the Station Logix application, including all related services, sales, marketing, or events.

Information Collection

1. **Personal Information:** We collect personal information that you voluntarily provide to us when registering at the Station Logix application, expressing an interest in obtaining information about us or our products and services, when participating in activities on the application, or otherwise contacting us. The personal information that we collect depends on the context of your interactions with us and the application, the choices you make, and the products and features you use. The personal information we collect can include the following:
 - Name
 - Email Address
 - Postal Address
 - Phone Numbers
 - Occupation
 - Other data collected that could directly or indirectly identify you.
2. **Payment Data:** We collect data necessary to process your payment if you make purchases, such as your payment instrument number (such as a credit card number) and the security code associated with your payment instrument.
3. **API Usage Data:** We collect information automatically when you use our APIs, including the API requests you make, the endpoints used, and the data shared through the APIs.

Use of Your Information

Having accurate information about you permits us to provide you with a smooth, efficient, and customized experience. Specifically, we may use information collected about you via the Station Logix application to:

- Create and manage your account.

- Process transactions and send related information.
- Manage our APIs and service usage.
- Enforce our terms, conditions, and policies.
- Communicate with you, including for customer service, to provide you with updates and other information relating to the application and for marketing and promotional purposes.
- Compile anonymous statistical data and analysis for use internally or with third parties.

Disclosure of Your Information

We may share information we have collected about you in certain situations. Your information may be disclosed as follows:

- **By Law or to Protect Rights:** If we believe the release of information about you is necessary to respond to legal process, to investigate or remedy potential violations of our policies, or to protect the rights, property, and safety of others, we may share your information as permitted or required by any applicable law, rule, or regulation.
- **Third-Party Service Providers:** We may share your data with third parties that perform services for us or on our behalf, including payment processing, data analysis, email delivery, hosting services, customer service, and marketing assistance.

Security of Your Information

We use administrative, technical, and physical security measures to help protect your personal information. While we have taken reasonable steps to secure the personal information you provide to us, please be aware that despite our efforts, no security measures are perfect or impenetrable, and no method of data transmission can be guaranteed against any interception or other type of misuse.

Policy for Children

We do not knowingly solicit information from or market to children under the age of 13. If you become aware of any data we have collected from children under age 13, please contact us using the contact information provided below.

Changes to This Privacy Policy

We may update this privacy policy from time to time. The updated version will be indicated by an updated "Revised" date, and the updated version will be effective as soon as it is accessible. We encourage you to review this privacy policy frequently to be informed of how we are protecting your information.
